

Elegant Wired Gooseneck Microphone for Professional Application

Model: CLA-GN IN

Summary

This intelligent gooseneck microphone system combines premium design with advanced audio performance. Featuring a super-cardioid electret microphone, anti-interference circuitry, and balanced low-impedance output, it ensures crystal-clear sound in any environment. The integrated red-light ring, IPS display, and versatile connectivity make it ideal for conferences, lectures, and professional presentations, delivering reliability, style, and seamless communication.

FEATURES

❖ **Premium Metal Panel Design**

Sophisticated and modern aesthetic with a high-end finish that complements professional environments.

❖ **Electret Super-Cardioid Microphone**

Highly directional pickup ensures focused voice capture with minimal ambient noise.

❖ **Red Light Ring Indicator**

Integrated LED ring glows red during active speech, providing clear visual status.

❖ **Advanced Mobile Interference Shielding**

Engineered for superior resistance to mobile phone and electronic interference.

❖ **Balanced Low-Impedance Audio Output**

Delivers stable, high-quality signal transmission for professional sound systems.

❖ **Versatile Application**

Ideal for conferences, public speaking, education, and other professional settings.

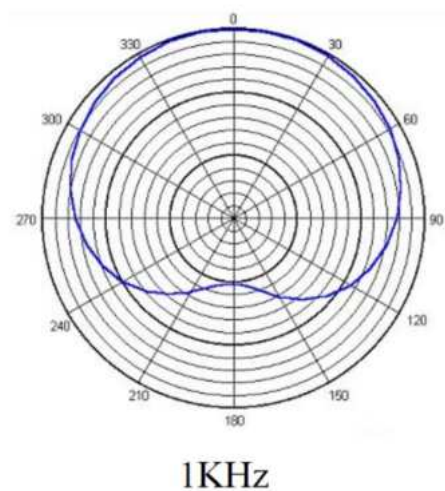

SPECIFICATIONS

Model No.	CLA-GN10INC
Frequency response	20Hz-20kHz
Polar Pattern	Super Cardioid
Power supply	Phantom power 48V
Sensitivity	-38dB±2dB
Output impedance	75Ω
Electromagnetic interference	Anti-interference
Current Consumption-Stand-by	2.4mA
Current Consumption-Operating	6.6mA
Audio output	XLR male seat x 1
Size (L×W×H)	Base: 101.7*148*56.5mm Gooseneck Mic: 420mm
Weight	Base: 0.53 kg Gooseneck Mic: 0.07kg
